TOGAF 9
FOUNDATION TRAINING

TOGAF™ Version 9

5-6 OCTOBER 2011 (10-18H) - GOLDEN TULIP (DIEGEM)

Be better prepared for EA projects that use TOGAF 9 as EA framework and process

---

GOAL OF THIS WORKSHOP:

TOGAF, The Open Group Architecture Framework, is a detailed method and a set of supporting tools for developing enterprise architecture. It *describes the process for acceptance, production, use and maintenance of enterprise architectures*. TOGAF is used worldwide by numerous architects to design, evaluate, and build the right architecture for their organization. TOGAF is *an open standard, managed by The Open Group*.

According to TOGAF, enterprise architecture (EA) is "the fundamental organization of a system, embodied in its components, their relations between each other and the environment, and the guidelines and principles that govern the design". TOGAF assists in the integration and management of IT resources from a strategy and business-driven point of view. During this workshop, *TOGAF 9 is employed to explain the basic elements of enterprise architecture and to show how this framework can be used when documenting your enterprise architecture*.

FULL PROGRAMME:

9h30-10h: *Registration and Coffee/Tea*

1. Introduction
   - The Open Group
   - What is TOGAF ?
   - TOGAF Certification
   - Enterprise Architecture
   - The structure of TOGAF
   - TOGAF and other frameworks
   - Case Study: ArchiSurance
2. Architecture Development Method (ADM)
   - Overview of the ADM cycle
   - Involving the organisation
     - Preparation Phase
     - Fase A: An Architecture Vision
   - The right architecture
     - Fase B: Business Architecture
     - Fase C: Information Architecture
     - Fase D: Technology Architecture
   - Making the Architecture Work
     - Fase E: Opportunities/Solutions
     - Fase F: Migration Planning
     - Fase G: Implementation Governance

- Keeping the process going
  - Fase H: Change Management
  - Requirements Management
3. ADM Guidelines and Techniques
   - Introduction
   - Guidelines for applying the ADM
   - Architecture Principles
   - Business Scenarios
   - Viewpoints and Views
   - Gap Analysis
   - Implementation techniques
4. Architecture Content Framework
   - Introduction
   - Building blocks
   - Content Metamodel
   - Architecture Deliverables
5. Enterprise Continuum and Tools
   - Enterprise Continuum
   - Architecture Partitionering
   - Architecture Repository
   - Tools for Architectuur-Ontwikkeling
6. Reference models
   - The Technical Reference Model (TRM)
   - The Integrated Information Infrastructure Reference Model (III-RM)
7. Architecture Capability Framework
   - Introduction
   - Architecture Governance
   - Architecture Board
   - Architecture Compliance
   - Architecture Maturity Models
   - Architecture Skills Framework

18h00: *End of this Training*

You will receive a copy of the reference book "TOGAF v9 - Enterprise Edition" (Van Haren Publishing, February 2009, ISBN 9789087532307, 787 pages) with your participation in this workshop:

TOGAF™ Version 9

ANSWERS THESE QUESTIONS:

After completion of the course, you will have:
- Knowledge of the different aspects of TOGAF, particularly the Architecture Development Method (ADM), Foundation Architecture and the Enterprise Continuum
- Insight into the relationship between TOGAF and other architectural frameworks
- Insight into the relationship between TOGAF and ArchiMate

This workshop is organized in collaboration with BiZZdesign Belgium and the Netherlands.

PRICE OF THIS WORKSHOP:

The price of this workshop is *1250 EUR (+ 21 % VAT)*, incl. participation in the workshop, lunches, coffee/tea, and a copy of the book "TOGAF v9", published byVan Haren Publishing.

DISCOUNTS:

For *simultaneous registrations (one invoice)*, the 2nd participant of the same company receives *10%*, the 3rd *20 %* and all further participants *30 % discount*. A 20 % discount is given to participants from schools and universities..

CANCELLATION POLICY:

Cancellation is possible up to 2 weeks before the workshop, if received in writing. In this case, 20 % of the total amount is charged for administration. Otherwise, the full registration fee is due, regardless of the reason of cancellation. *Replacement of a participant* is possible at no extra charge.

WORKSHOP LEADER:

Patrick Derde has worked with enterprise architecture for more than 15 years. Today, he is a TOGAF Certified architect, working as an Enterprise Architect for KBC Bank and Insurance. He is also Managing Partner of *BiZZdesign Belgium*, which offers complete and integrated solutions to design and improve your business. At KBC Bank he has been involved in the development of Enterprise Information Architecture and development support of Segment Architectures, driven by business architecture.

REGISTRATION FORM

❑ Mr. / ❑ Mrs.

Name: _____ First Name: _____

Job Title: _____

Company:_____

Company Address:_____

_____

Phone: _____ Fax: _____

VAT/BTW/TVA nr.: _____

E-Mail: _____

Agrees with the workshop conditions, and registers for:
